

Policies and Procedures for Accommodation Requests

Purpose

Uniiited, LLC is committed to providing equal employment opportunities and ensuring an accessible recruitment process for all applicants, including those with disabilities, in compliance with the Americans with Disabilities Act (ADA) and the Michigan Persons with Disabilities Civil Rights Act (PWDCRA). This policy outlines the procedures for handling accommodation requests made by applicants during the recruitment process.

Scope

This policy applies to all applicants for employment at Uniiited, LLC, regardless of position, and covers all stages of the recruitment process, including job applications, interviews, assessments, and onboarding. It applies to all company locations in Michigan and to all employees involved in recruitment.

Definitions

- **Disability:** A physical or mental impairment that substantially limits one or more major life activities, as defined by the ADA and PWDCRA.
- **Reasonable Accommodation:** Modifications or adjustments to the recruitment process that enable a qualified applicant with a disability to participate, provided they do not impose an undue hardship on the company.
- **Undue Hardship:** Significant difficulty or expense, considering the company's size, resources, and the nature of the accommodation.

Policy Statement

Uniiited, LLC will provide reasonable accommodations to qualified applicants with disabilities during the recruitment process to ensure equal access and opportunity. Accommodation requests will be handled promptly, confidentially, and in good faith through an interactive process with the applicant.
